DEDICATION

In this, the year of 1952, we dedicate our annual to something far greater than any person or place. Our dedication is to the "Spirit of Randolph"--a spirit not composed of vain-glorious boastfulness but compounded from a great and self-respecting pride in ourselves, our school, our community, and in each other.

It is this "spirit" which transcends all else in our school lives and which, having had its inception at Randolph, should and will pervade our future living.

"THANKS FOR THE MEMORIES"

The history of the class of '52 dates back to 1948 when a class of very smart freshmen came under the charge of Mr. Ruhnke. The members of the class under the leadership of Jim Walker laid plans for their money-making projects to help build their treasury. We entered our sophomore year (not quite as smart as we thought we were) where our prexy was Paul Knoop, who was to keep that position for the next three years. We had our first dance which proved very successful. Several of our classmates, who were later to be a part of the great teams of '52, made the football and basketball squads. Others participated on the track and baseball teams. We also added twenty new members to our class from Clayton this year.

Our junior year was centered around the prom, "Hawaiian Cruise," the many bake sales and paper drives, and "Seventeenth Summer," our class play.

This year has been packed full of many never-to-be-forgotten moments, one of the highest points of the year being our Christmas dance, "Winter Wonderland." Equally important to us were the basketball triumph, our class play, "Our Miss Brooks," and finally our class trip to Washington.

KEITH ROBERT ALBRECHT (Bob) 8 yrs. at R. H. S.

Class Serg-at-arms. 1-4; Chorus 3; Hi-Y 1-2-3-4; Football 1.

A blue flash and there goes Keith in his new blue Chevie. He's just another senior boy who's crazy over hot rods. Keith is very interested in mechanics and already has a start in his life's profession. We're sure he'll be a big success and wish him all the luck in the world. Keith is a swell person to know and we're glad he's a part of the senior class.

JANE MARIE AVERY (Janie) 11 yrs. at R. H. S.

Class Sec. 1; Librarian 1; Latin Club 2; Chorus 2; Band 2-3-4; Student Council 1-3, Pres. 3; Y-Teens 2-3, Pres. 3; Letter Club 1-2-3-4; Jr. Council on World Affairs 4; Shamrock Staff 4; Annual Staff 4.

"Where there's a will, there's a way" seems to be Janie's motto. Besides being very interested in the Dayton Daily News (reporting, that is), she is also "ace" reporter for the "Shamrock." But Janie's not all workminded, no, sir! When there's fun to be had, she's right in the middle of it. Where there's good times, there's Jane.

IRENE MAE BARNES (Rene) 3 yrs. at R. H. S.

Y-Teens 2-3-4; G. A. A. 2; Chorus 2; Jr. Council on World Affairs 4.

Irene ("Reeny" for short) likes just about everything but angora sweaters. She never seems to argue, and she just takes life as it comes. Irene seems like the quiet type until you get to know her, and then she's like a time-bomb. Whatever "Reeny" does in her later life, we're sure she will be a big success at it.

LOUIS ARTHUR BENDER (Louie) 12 yrs. at R. H. S.

Annual Staff 4.

A fellow who is very quiet, but one you will like instantly, is Louis. You will find Louis very talkative along the lines of cars and tools, as he is the proud owner of a 1940 Plymouth and is working part-time at a tool shop on Westbrook Road. We are sure Louis will do very well in the field of mechanics.

SHIRLEY ANN BETZ (Betzie) 12 yrs. at R. H. S.

Honor Society 3-4, Reporter 4; G. A. A. 1-2-3-4; Y-Teens 2-3; Class play 4.

"Five foot two, eyes of blue, has anybody seen that girl?" Around school you have to look twice to make sure Shirley's there, but after hours she's full of fun. And she's very active in G. A. A. She's good at basketball and loves to swim. We all like Shirley; she's a credit to our class.

CORWIN TROXELL BLACK (Sunny) 5 yrs. at R. H. S.

Chorus 4; Letter Club 1-2-3-4; Annual Staff 4; Basketball 2-3, Jr. High 1; Football 2; Track 1-2-3-4.

The boy in our class who has done the most for himself is Sunny. He is a very industrious boy, often working until the wee small hours of the morning. All this doesn't affect Sunny's personality, however, for around school he's always good for a laugh.

BONNIE LOU BRUMBAUGH (Brumie) 3 yrs. at R.H.S.

Chorus 2-3-4; Student Council 2, Vice-President 2; Y-Teens 2-3; Letter Club 2-3-4, Social Chairman; Jr. Council on World Affairs 4; Librarian 2; G.A.A. 2-3-4; Shamrock Staff 4; Annual Staff 4; Cheerleader 2-3-4; Class Play 4.

Bonnie has been a top-notch cheerleader for the last three years. She was also chosen queen for our last homecoming game and dance--a very pretty one, too. Always ready to go with the crowd and have a good time, Bonnie is another member of our class who will really be missed.

MERVIN ROBERT BUTTS (Merv) 12 yrs. at R.H.S.

Chorus 1; Band 1-2-3; Hi-Y 2-3-4; Letter Club 1-2-3-4; Shamrock Staff 4; Annual Staff 4; Track 2.

Small, but mighty, we use for Mervin, who is gradually outgrowing the title, but there was the time when Merv had to sit on two pillows to see out of the window of his car when he was driving. Always willing to help out, Merv has contributed a great deal to the class.

SALLY RUTH CARLES (Sally) 12 yrs. at R.H.S.

Librarian 4; Chorus 1-2; Y-Teens 3; Letter Club 1-2-3-4; Jr. Council on World Affairs 4; Shamrock Staff 4; Annual Staff 4.

Quiet, but attractive--that's Sally. Yes, she's the quiet type, but very likeable. Her friendly smile can bring sunshine to anyone's rainy day. She likes good times, but she can really put out the work when she has to. She's well-liked by her classmates and is sure to be a success after she graduates.

COLLEEN EVELYN COFFEY (Babe) 12 yrs. at R. H. S.

Class Reporter 1-2-4; Librarian 1; Latin Club 2; Chorus 1-2-3-4; Band 1-2-3; Y-Teens 2-3-4; Letter Club 1-2-3-4, Sec. 3-4; Shamrock Staff 4; Annual Staff 4; Cheerleader 3-4; Class play 4.

The second of the senior's contributions to the cheerleaders, Colleen has served faithfully for two years in the coveted position which is the fulfillment of every high school girl's dreams. Colleen's plans for the future call for taking nurses' training. WOW! Wouldn't you like to have her attend you in the hospital?

UNA MARLENE COX (Mar) 3 yrs. at R. H. S.

Librarian 2; Chorus 2-3; Band 2-3-4, Vice-Pres. 4; Y-Teens 2-3; Letter Club 2-3-4; G. A. A. 2; Shamrock Staff 4.

Being quiet and conservative are characteristics which belong to Marlene. Whether working on the "Shamrock," playing her trombone, or sewing, she is sure to do an A-1 job. And you will find that most of her cute clothes, she's made herself. The longer you know Mar, the better you like her.

ELLIS JEROME DENLINGER (El) 10 yrs. at R. H. S.

Chorus 1-2-3; Band 1-2-3; Hi-Y 2-3-4; Letter Club 3-4; Jr. Council on World Affairs 4; Class play 4.

Ellis is very active in club work and enjoys doing it very much. He is one of the few seniors left in our high school band. He does an excellent joy on the clarinet and also does a marvelous job on the piano. You never see Ellis angry--he's one who has mastered the art of controlling his temper.

GAIL BERNICE DESHONG (Deshy) 3 yrs. at R. H. S.

Chorus 2-3; Y-Teens 2-3-4; Shamrock Staff 4; Annual Staff 4; Class play 4.

If there's fun to be had, you can bet your boots that Gail is somewhere nearby. She's got a wonderful personality, a big smile, and sparkling blue eyes. Yes, Gail is a "must" at any party and next year we're going to miss that kid around here!

ROBERT O. FARRIER (Bob) 9 yrs. at R. H. S.

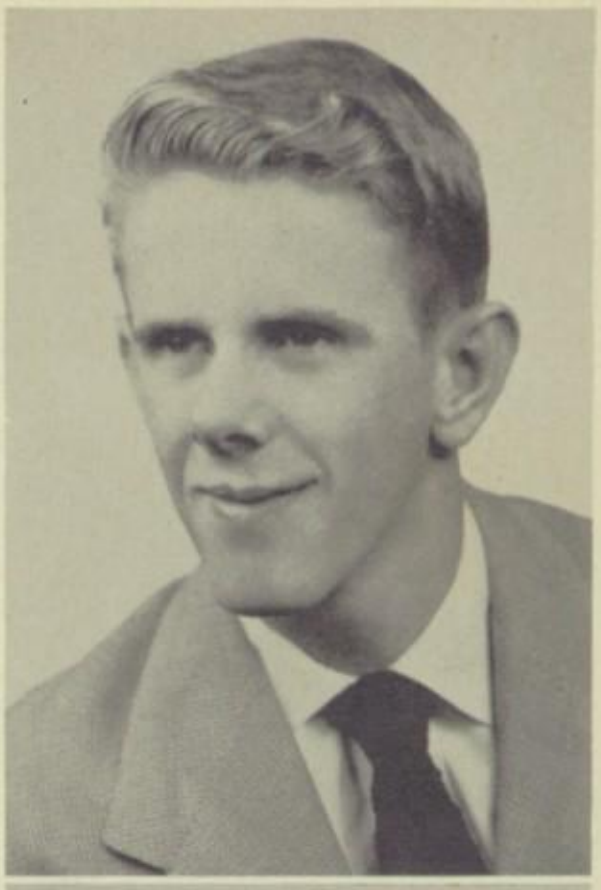
Chorus 1-2-3-4; Hi-Y 2-3-4; Letter Club 4; Football 1-2-3-4; Class play 4.

If you're looking for a good argument, see Bob about it for he can always give you a good one. He's the giant of our class, towering 6' 4-1/2" into the atmosphere. You'll always find Bob at all the games--he's really a loyal fan.

MARY LOUISE FOSTER (Frosty) 4 yrs. at R. H. S.

Chorus 1-2-3; Y-Teens 2-3; G. A. A. 1-2-3; Librarian 1; Class play 3.

Mary Lou holds the distinction of modeling clothes for Elder's teenage department. She also works part-time in the same department, and she seems to be doing very well. Mary Lou is also very efficient in the office, but whatever she chooses for her profession, we are sure she will be a success.



MAX EARL HANEY (Max) 10 yrs. at R. H. S.

Hi-Y 2-3-4.

A quiet fellow, Max loves to get in good discussions and you soon find everyone is listening while Max takes over. Max, like all our senior boys, is proud of his car also. Max plans to go into the field of mechanics in which he should go great lengths as he has a natural love for it.

CLARA BELLE HANSHAW (Clara) 2 yrs. at R. H. S.

Y-Teens 3.

Did you ever notice that quiet little girl who spends a lot of time in the commercial room? Well, that's Clara, who hails from south of the border--Ohio's border, that is. We'll really miss Clara and her cute Southern accent.

JANICE ELAINE HONEYMAN (Jan) 5 yrs. at R. H. S.

G. A. A. 1; Letter Club 4; Shamrock Staff 4; Annual Staff 4.

If you ever want to find Janice, just take a peek in the back of the commercial room. She's very active on the "Shamrock" and Annual staff. Janice wants to go to a business school and we're sure she'll be very good at it. Her ambition is to be secretary to the President!

ROBERT LEE KELLEY (Bob) 4 yrs. at R.H.S.

Chorus 1; Hi-Y 3-4; Letter Club 4; Football 1, Baseball 1; Football Mgr. 4.

Bob is another person who can ably hold his own in any argument and there have been many lively discussions in class meetings in which Bob has participated. Nevertheless, Bob is a very nice person. He excels in math and has shown great interest along the engineering line.

REBECCA MAE KESSLER (Becky) 2 yrs. at R.H.S.

Y-Teens 3.

Whenever decorating problems come up for the senior class, Becky has lent her hand in thinking up a scene and painting it for us. Becky plans to go on into art work, in which she will succeed, we're sure. Becky hailed from Fairview only last year and quickly made a host of new friends.

SUSANN PENELOPE (King) CURTIS (Susie) 5 yrs. at R.H.S.

Y-Teens 2-3.

The first girl in our class to become engaged and to acquire a wedding ring was Susie. Trying to be a housewife and a high school senior is quite an assignment, but Susie's capable of the job. She is one of the best-dressed girls in the senior class.

WILLIAM CARL KINGERY (Willie) 6 yrs at R. H. S.

Letter Club 1-2-3-4; Basketball 2-3-4, Jr. High 1; Football 1-2-3-4; Baseball 2-3-4; Track 1-2-3-4; Class Play 4.

Did you ever notice those blue eyes of Bill's? That curly hair and bright smile of his aren't so bad either. As far as sports are concerned, Bill is a four-letter man, but he prefers basketball. Bill is a happy-go-lucky guy who enjoys anything from swimming to hunting (girls, of course!).

PAUL EUGENE KNOOP, JR. (Knooper) 12 yrs. at R. H. S.

Class Vice-Pres. 1; Class Pres. 2-3-4; Scholarship Team 1-2; Latin Club 2; Chorus 1-2; Hi-Y 2-3-4, Vice-Pres. 3, Pres. 4; Letter Club 1-2-3-4; Jr. Council on World Affairs 4; Vice-Pres. 4; Shamrock Staff 4; Annual Staff 4; Basketball 2-3-4, Jr. High 1; Football 1-2-3-4; Track 1-2-3-4; Class Play 4.

Paul is a friendly boy with a big heart and a big smile. He is known for his saying, "that's right," because he nearly always agrees with everyone. Probably most outstanding about Paul is his athletic ability. He was on the all-county football and basketball squads. Friendly and easy to get along with, he fills a big place in the senior class.

NORMA JEAN KRUG (Jean) 3 yrs. at R. H. S.

Chorus 2-3; Y-Teens 2-3; G. A. A. 2-3; Shamrock Staff 4; Annual Staff 4.

Although the mimeograph machine has been the source of many troubles, some terrific printing has been turned out in the past. One of the girls responsible for it is Norma, and she has said that she loves every minute of it. Her plans after graduation call for continuing her secretarial work which is off to a good start by her part-time work now.

MIRIAM ARLENE MANN (Miriam) 3 yrs. at R. H. S.

Honor Society 3-4, Reporter 3; Scholarship Team 2-3; Latin Club 2; Chorus 2-3-4; F. T. A. 4, Pres. 4.

Miriam is barely 5' tall, but that's no sign that she isn't powerful. Miriam, who loves to read, is one of our most intelligent girls, and in this case it proves that brains also have beauty. Miriam has a real sense of humor and enjoys school to its utmost.

PHYLLIS JOAN McDERMOTT (Phyl) 3 yrs. at R. H. S.

Class Treas. 2; Librarian 2; Chorus 2; Band 4; Y-Teens 2-3; Letter Club 3-4, Reporter 4; G. A. A. 2-3-4; Jr. Council on World Affairs 4; Shamrock Staff 4; Annual Editor 3-4; Class play 4.

Whether in school or out, she is always willing to help. Phyllis has done a fine job as editor of the annual along with her help on the "Shamrock." Phyllis's enthusiasm for sports has made her an essential part of all the games. Always cooperative and dependable, she is a nice girl.

SONDRA MILLICENT McKEE (Nickie) 2 yrs. at R. H. S.

Chorus 3; Y-Teens 4.

Whenever the word modeling is mentioned at Randolph, you automatically think of Sondy, for every so often she comes up with some terrific pictures of herself. All the girls agree that she should engage in modeling. But whatever her position in life, we are sure Sondy will do well with her combined poise and conservativeness.

ROGER WAYNE OGLESBEE (Rog) 12 yrs. at R. H. S.

Chorus 1-2; Letter Club 3-4; Shamrock Staff 4; Annual Staff 4.

Roger is more or less the quiet type also. Nevertheless, he is a diligent worker and is always willing to help with a class project. Rog has a pleasant personality and a smile for everyone. We like to say that here's a member of the Class of '52.

ROBERT GENE ROSE (Kissel) 7 yrs. at R. H. S.

Chorus 1-2-3; Hi-Y 2-3-4; Letter Club 1-2-3-4; Class Play 3-4; Basketball 2-3-4, Jr. High 1; Football 1-2-3-4; Track 2-3-4.

Bob is active in football, basketball, and track. He's not only a good sport in athletics, but he carries that wonderful characteristic with him at all times. No matter where Bob goes his friendly personality goes with him! Who else could take the teasing that he does and answer with a smile and a reply--only Bob.

MARILYN MARGARETTE ST. JOHN (Lynn) 10 yrs. at R.H.S.

Y-Teens 2-3; Scholarship Team 2.

Marilynn has the distinction of being the only redhead in the class. Her main interests are rodeos and Buick convertibles. By the way, that convertible she drives around is really sharp. Marilynn has lots of ambition, working part-time in her father's office. She is a nice girl and fun to have around.

KARL SEIGFREID SCHROEDER (Karl) 3 yrs. at R. H. S.

Honor Society 3-4, Pres. 4; Scholarship Team 3; Chorus 3-4; Band 2-3-4, Pres. 4; Letter Club 2-3-4; Hi-Y 4; Student Council 4; Jr. Council on World Affairs 4; Class Play 3-4; Shamrock Staff 4; Annual Staff 4.

Karl is another of our Claytonites who joined us two years ago and right away, Karl was cited by everyone for his scholastic work and musical ability. A very quiet fellow, Karl has always been willing to do his part in class projects. Karl is popular because of his ever-calm outlook on life.

ERNEST JOSEPH SCHULTHEIS (Speedie) 4 yrs. at R. H. S.

Hi-Y 2-3-4; Chorus 1; Letter Club 1-2-3-4; Class Play 3; Shamrock Staff 4; Annual Staff 4; Football 1-2-3-4; Track 1-2-3-4.

When you talk of football at Randolph, you automatically think of Ernie. He carried the pigskin to pay-dirt many times this last season. Attributing it to coincidence, the football hero was our homecoming king and reigned over the annual ceremony in all his glory. Ernie's winning smile has only added to his personality.

ANNABELLE SHERER (Annabelle) 12 yrs at R. H. S.

Letter Club 1.

Annabelle is one of the honored members of our class who has been at Randolph for 12 full years. She has a high ambition and a very worthwhile one at that. It is to work at a hospital after graduation. We are sure she will be well-suited for her work and will be an asset wherever she works.

JACK LEE SHOENFELT (Jack) 4-1/2 yrs. at R. H. S.

Annual Staff 4.

If you were only able to hear and not to see around school, you would hardly know that Jack exists. But you can always depend on Jack when there is some work to be done. He was one of the mainstays in the heavy work that helped make our Christmas Dance a success. We will always remember him for his excellent manners and friendly disposition.

BEN FRANKLIN SMITH (Benny) 2 yrs. at R. H. S.

Letter Club 4

As every class must have a comedian, we are no exception in the person of Ben. Many a laugh has been had since Ben joined our class last year. He is also well-informed on political information which makes us think he would make a good politician. He could do some good campaigning with his personality.

RICHARD KEITH SMITH (Dick) 1 yr. at R. H. S.

Hi-Y 4; Football 4.

Did you ever see anyone blush? Well, just watch Dick. All you have to do is look at him and his face turns the prettiest shade of red you ever saw. Dick hails from West Milton and just joined us this year, but very quickly he became a necessary part of our class.

JON HUGH STITZ (Big Jon) 12 yrs. at R. H. S.

Letter Club 2-3-4; Basketball 2-3-4, Jr. High 1.

Jon is one of the honored five of our wonderful basketball team. He has pulled us out of many tight spots and this year made the All-County squad. Laurels go to Jon for his fine work on the team--he helped to make it one of the best ever--and he also deserves to be complimented on his modest ways.

BARBARA JEAN SWIGART (Swagie) 12 yrs. at R. H. S.

Honor Society 3-4; Treas. 4; Student Council 4; Y-Teens 2-3-4; Letter Club 1-2-3-4, Treas. 4; G. A. A. 1-2-3-4, Treas. 3, Pres. 4; Jr. Council on World Affairs 4; Ciphering Club 2-3-4, Pres. 4; Class Play 3-4; Shamrock Staff 4; Annual Staff 4.

When we think of fun, we just naturally think of Barbara. She would rather have fun than a million dollars (or as Babs says, she could have a lot of fun with a million dollars). Barb has a real sense of humor and can see the funny side of everything. Whenever she's around, there's sure to be something brewing. Cooperative, dependable, and understanding--that's Barb.

IRMA JANE THOMPSON (Janie) 1 yr. at R. H. S.

Class play 4.

Another late addition to the seniors was Irma. She came to us from Michigan just last year and fit into the Randolph atmosphere perfectly. Irma likes office work and I'm sure she will do well in her chosen profession. Wouldn't you like to have her for your secretary?

RONALD ISAAC TROWBRIDGE (Ron) 12 yrs. at R. H. S.

Class Vice-Pres. 4; Scholarship Team 2-3; Latin Club 2; Chorus 1-3; Student Council 3; Hi-Y 2-3-4, Reporter 3, Sec. 4; Letter Club 1-2-3-4, Pres. 4; Jr. Council on World Affairs 4; Class Play 3-4; Shamrock Staff 1-2-3-4; Annual Staff 4; Basketball 2-3-4, Jr. High 1; Football 4; Baseball 2.

Looking for the Letter Club president? He went that-a-way. And Letter Club isn't the only thing Ronnie is active in. He likes athletics and has great interest in other activities. Ronnie has a friendly personality and a ready wit. Everyone likes Ronnie for his smooth manner.

JOANN VALLEY (Jo) 12 yrs. at R. H. S.

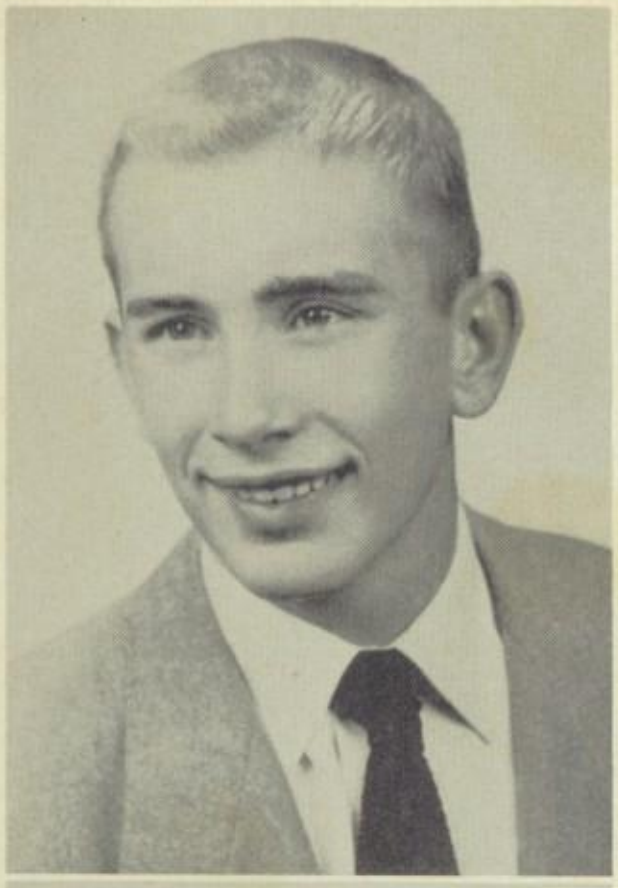
Class Reporter 1; Class Vice-Pres. 3; Chorus 1-2-3; Y-Teens 2-3-4; Jr. Council on World Affairs 4; Class Play 3; Annual Staff 4.

Jo's favorite spot is down South. Wouldn't you love to be lying around on the beach drinking in some of the Florida sunshine? Jo would like to be an interior decorator, and she would be a very good one at that. Among her other activities, Jo has been very active in Rainbow and has received many honors.

JAMES ROBERT VOLK (Buckshot) 8 yrs. at R. H. S.

Class Treas. 1; Chorus 1-3-4; Letter Club 1-2-3-4; Annual Staff 4; Basketball 2-3-4, Jr. High 1; Football 1-2-3-4; Baseball 2-3-4.

Small, but mighty, Jimmy has had quite a football career in his high school years. He plays a big part in the senior class. We love to tease Jimmy, and he takes it with a smile. That's what makes him a nice fellow to know. With that big smile of his, he should really be able to win his way in the future.



JAMES LOWELL WALKER (Jim) 4 yrs. at R. H. S.

Class Pres. 1; Chorus 3-4; Hi-Y 2-3-4; Letter Club 1-2-3-4; Jr. Council on World Affairs 4; Shamrock Staff 4; Annual Staff 4.

Hot rods, gook wagons, did you say? Oh! Yes, for the latest vocabulary along these lines everyone goes to Jim, because who is better informed? Jimmy is recognized by many at RHS by his red face when he is embarrassed the least bit. Jimmy's winning smile and business-like manner, along with his Mercury, will take him places, we're sure.

PATRICIA LOUISE WALL (Pat) 2 yrs. at R. H. S.

Class Treas. 3-4; Chorus 3-4; Y-Teens 3-4; Red Cross 4, Pres. 4; Class Play 3-4; Shamrock Staff 4; Annual Staff 4.

Pat is known for her sparkling green eyes, pleasing personality, and her dimples. Although Pat's only been with us for a short time, it seems as though she's been with us from the very beginning. She's always ready and willing to do any favor you might ask of her and you can be sure the results will be on the positive side.

LOTTIE ELLEN WEBB (Muscles) 4 yrs. at R. H. S.

Chorus 2-3; Y-Teens 2-3-4; G. A. A. 2-3-4; Jr. Council on World Affairs 4.

Would you like to buy a candy bar? Just ask for Lottie. Every day at noon you'd find her dutifully trudging her way to the bookroom to sell candy for the seniors. She faithfully kept at the job and has done her share in class projects. Quiet and cooperative aptly describe Lottie.

SHIRLEY JEAN WEBER (Jeannie) 12 yrs. at R. H. S.

Class Sec. 2; Class Reporter 3; Librarian 1-2; Honor Society 3-4, Reporter 3, Sec. 4; Latin Club 2, Reporter 2; Chorus 1-2-3; Band 4; Y-Teens 2-3-4; Letter Club 1-2-3-4; G. A. A. 1-2-3-4; Jr. Council on World Affairs 4, Sec.-Treas. 4; Shamrock Staff 4; Annual Staff 4; Jr. High Cheerleader 1; Class Play 4.

Outstanding is Shirley's ability to get things done. How could we get along without her support on all the committees? Shirley's ambition is to be an airline stewardess, and we are sure that her efficiency and neatness will help to bring her success. Shirley is just an all-around girl.

ROBERT LINTON WENGER (Bob) 12 yrs. at R. H. S.

Band 1-2-3-4; Letter Club 4; Annual Staff 4.

A fellow who has endeared himself to his class mates, Bob is noted for his perseverance which will carry him far in life. Bob has been a member of our band for four years and has loved every minute of playing his trumpet. Bob is interested in furthering his education in the field of music.

NANCY LOU WILSON (Willie) 3 yrs. at R. H. S.

Class Reporter 2; Librarian 2; Chorus 2-3; Band 2-3-4; Y-Teens 2-3-4, Treas. 3; G. A. A. 2-3-4; Letter Club 2-3-4; Jr. Council on World Affairs 4; Class Play 3-4; Shamrock Staff 4; Annual Staff 4.

One of the most active girls in the senior class is Nancy. And that convertible she drives around isn't so bad either. She's crazy over basketball and football and you can be sure that she will be one of the first ones at a game. She's got a swell personality and is always ready for fun.

NORMA LILLIAN WIRTH (Blondie) 9 yrs. at R. H. S.

Chorus 2-3; Band 2-3; Y-Teens 2-3; G. A. A. 2-3.

Blond-haired, blue-eyed Norma is inclined to believe that her time is spent most profitably with either her three special pals or with Wally. In Norma's junior year, she held the highest honor in our marching band--that of drum majorette. We might add that she did a fine job.

SUZANNE ZANDER (Sue) 3 yrs. at R. H. S.

Class Sec. 3-4; Librarian 2; Honor Society 3-4, Vice-Pres. 3-4; Latin Club 2, Sec. 2; Chorus 2; Band 2-3-4; Y-Teens 2-3, Pres. 3; Letter Club 3-4; G. A. A. 2-3; Jr. Council on World Affairs 4, Pres. 4; Class Play 3-4; Shamrock Editor 3-4; Annual Staff 4.

Being editor of our "Shamrock" is a lot of hard work, but Sue has done a wonderful job on it. Her smile and friendliness have won her many friends. When it comes to planning, she always has lots of ideas and knows just how to put them into action. Yes, when Sue gets an idea in her head, she won't give up until she realizes her goal.

JUDITH LYNN ZINK (Judy) 12 yrs. at R. H. S.

CLASS PROPHECY

"My, how time flies! Why, it's been 25 years since I graduated from high school! I have just finished talking to Paul Knoop on the 'phone about final arrangements for a class reunion. Paul graduated from college and became one of the greatest basketball coaches in the nation. It's a shame he had to retire, but coaching is quite a strain for someone his age. Now if I can only find my 1952 "Bobcat," maybe it will help me remember the names of all my classmates in the good old Class of '52."

" . . . Oh, here it is. Just look at those hair styles! My, how times have changed. And the boys with "burrs!" It's hard to believe that we really looked that way once. And my interior decorating business was started not five years later. I'll never forget the day my shop was finished with Sue Zander, Interior Decorator, in neon lights above the door. But enough of this reminiscing; I must get these reunion invitations written."

"Bob Farrier. Let me see, do I remember him? Oh, why of course, he is manager of Macy's Department Store in New York and Mary Lou Foster was head buyer for the exclusive shop for ladies. Now she's married and has a son who is doing a terrific job as center on Ohio State's basketball team."

"Oh, yes, and Judy Zink. She's head set designer for MGM now. She always did like that type of work, but I understand she and her husband are having trouble because of Judy's working. Oh, well, those Hollywood people . . . "

"I understand Sondra McKee is in Hollywood, too. She designs clothes for the movie stars and does modeling as a hobby. She must be a millionaire by now!"

"Who can forget Bob Rose? He started the first automatic laundry in Englewood. And the way the boys used to tease him about his socks . . . "

"Well, Jim Walker. I thought surely he would take over his dad's automobile business, but he seems to be content to be driving buses and servicing Buicks for Marilynn St. John's enterprise. I guess Jim finally married Bonnie Brumbaugh and I imagine they're very happy."

"Nancy Wilson has made quite a name for herself, too. She won the Olympic championship for ice skating 20 years ago. She teaches skating now and even though she isn't so young any more, she gets along swell."

"Good old Sunny Black is in partnership with Roger Oglesbee. They have a chain of frozen food markets from New York to California."

"Bob Wenger was always rather quiet, and his occupation is surprising—he tests jet planes and Keith Albrecht is his chief mechanic. They have been responsible for many improvements in jets. Quite a pair!"

"Speaking of mechanics, Louis Bender and Max Haney own a repair garage and I understand that Irene Barnes, Randolph's drivers' training teacher, takes the training car there for any repairs. It must have been something when Irene tore out a transmission while trying to teach her class to shift gears. Embarrassing moments!"

"I wonder if Norma Krug still holds the world's record for typing. She could type 175 words per minute for one hour. What a whiz! Lottie Webb was very good, too. She has been secretary to the President of the United States for the last eight years. Speaking of presidents, Bill Kingery is a great politician and has a very good chance of winning the presidential nomination."

"Let me see . . . oh, yes, Jo Valley is a senator from Ohio. She just proposed a bill concerning taxes. Her secretary is a graduate of Randolph, also. Oh, what was her name? Why, of course, Clara Hanshaw.

"And Susie Curtis's blond hair! It was very becoming. She used to have it done at Becky Kessler's beauty salon. Norma Wirth was the head operator and Marlene Cox was her receptionist. They have established the finest beauty shop in and around Dayton."

"Miriam Mann was a very serious person. She became a missionary to India and flew over on a plane on which Shirley Weber was a stewardess. Miriam is very popular with the natives and has done some terrific work with them. Shirley is crazy about her job as stewardess, and I don't blame her."

"Here is the girl who was a caution—Barbara Swigart. She was really full of fun and was into more mischief than anyone could begin to tell. I am surely surprised at her job. She raises and trains dogs and is a very prominent judge of animals, also."

"Animals remind me of farms and I shouldn't forget to mention that Jack Shoenfelt now owns a 5,000 acre farm. Dick Smith takes care of the chickens and has successfully developed a chicken with all white meat. Jack was the first person to grow green beans and corn on the same plant so it would be easier to make succotash. Annabelle Sherer has quite a job as their bookkeeper!"

"Some members of our class are now very prominent in the medical field. Ellis Denlinger and Pat Wall have just discovered a cure for cancer. They have been widely acclaimed and are doing a bang-up business."

"Oh, my, Phyllis McDermott. She's a very well-known dentist in San Francisco and has developed a new kind of false teeth that don't come out once they're put in. That would be handy for some of us who are getting along in years. We're not as young as we used to be, you know . . . "

"Coleen Coffey started out to be a nurse, but while she was still a student, she fell in love with one of her patients and got married. Oh, well, we all warned her . . . "

"Jon Stitz produces the television program for which Ben Smith is 'emcee. Ben replaced Arthur Godfrey and is a great success. The other night Janice Honeyman was a talent scout and introduced the prominent clarinetist who made jazz popular again, Karl Schroeder. For the guest of the evening, Jim Volk appeared. Jim and his partner won the National Jitterbugging Contest in 1964. That's been a long time ago and Jim has made himself quite well-known as a disc jockey."

"Here's a cute girl. Name's Jane Avery and once she started working at the Dayton Daily News, it didn't take her long to work her way up to editor. Sally Carles writes her gossip column and not long ago there was a story by her about Irma Thompson. Seems Irma married the King of Egypt. Ronnie Trowbridge is Jane's sports editor and has written many good articles, such as the story of Ernie Schultheis from high school clear up to the year he made All-American halfback when he played for the Cleveland Browns."

"On television the other night, Ronnie T. interviewed three graduates of '52. Seems Mervin Butts just returned from a very successful lion hunting expedition in Africa and Gail Deshong was proclaimed the world's only lady bullfighter. She is really a champion!"

"Shirley Betz is known throughout the world for swimming the English Channel—both ways without stopping!"

"I just must mention Bob Kelley. He's really an important person. He should be since he was the first one to get a complete story from the Iron Curtain—and live to print it!"

"Just looking at the 'Bobcat' has made me seem closer to my old classmates. Ah, yes, those were the good old days. We really had some wonderful times. Guess I'd better get busy addressing these reunion invitations to the best ever—Randolph's Class of '52. Just think, only 25 years ago . . . "

"ENJOY YOURSELF--
IT'S LATER THAN YOU THINK"

Once on a bright September morning in 1949, a morning which comes but once a year and is known as "the first day of school," a stampeding herd of FRESHMEN came barreling into rooms 1 and 2, practically flattening Mr. Ruhnke! After he picked himself up off the floor, combed his beautiful blond hair, and brushed off his suit, he looked us over and decided to keep us. From then on we grew steadily worse, but Mr. R. never gave up hope, and never stopped trying to make ladies and gentlemen of us. Our class meetings soon became famous, with our prexy, Bill Kelley, seldom getting a word in sideways. All year we had paper drives and bake sales--before we knew it we were

SOPHOMORES, and sad to relate, our Mr. Ruhnke left us. Mr. Barger and Mr. Austin inherited us, and now we were really somebody, because we gave a dance, "The South Pacific Swing," that was a huge success;we made six dollars! There were bake sales, and more paper drives, and more--oh, well, you know the rest--our treasury swelled! But we couldn't sleep if we didn't mention Steve DeWitt, who generally kept things going, or Sandy Shriver, who led the class meetings smoothly in spite of him! All in all, we were promoted to

JUNIORS, with something like admiration from the administration, though it's hard to say just how Mrs. Brumbaugh felt. Everything we attempted was a success, we admit modestly--the clock radio, the magazine sale, our class play, the Valentine Dance, and the Junior-Senior Prom, "Stairway to the Stars." We're beginning to have that funny feeling that we're growing up--maybe we are! Anyway we'll never forget our high school years at Randolph and we guarantee that next year will be nothing less than the climax to the notorious

"WE'RE ON OUR WAY"

We started off our "Hi" School as Freshmen, led by Mr. Lamb, our "worthy" and often "ready -to-give-up" advisor. Bob Dixon led the class meetings while Carolyn Whisler was "keeper of the books" and Barbara Gibson "chief money changer". Besides a little studying--hayrides, skating parties, money-making projects, and clinching the Junior High Basketball Championship kept us going for the rest of the year. The next fall ushered in two new-to-Randolph advisors who were broken in by us: Miss Corwin and Mr. Cultice, who had been instructed to handle us anyway they could! We had an all-girl board which seemed to do the job quite nicely, considering the success which followed. Jo Turner was the Big Chief, Kate Brumbaugh secretary, and poor Barbara once again took over the treasury. This year began the fun for all of us--set off by the unforgettable dance, "The Shanghai Ching Ding". The decorations were supurb, the food delicious, and the entertainment famous. The money angle didn't shape up quite so nicely but we weren't beaten yet. We began fattening our depleted treasury at once by chancing off a record player. We've learned a lot this year and last, and we're sure that the first two years of high school will never be forgotten by the

"HAIL, HAIL THE GANG'S ALL HERE"

Before we had gotten a good start this year, we had earned the prestige of being the largest class in the school--which may, in future years, prove to be more of a help than a hindrance! With 28 kids over from Clayton added to our number, we now were 86 strong. We had a little trouble getting used to high school life, but with Mr. Barger's personality up in front, we couldn't miss! We're pretty proud of our first year's record--with Bruce Motter as president, we have successfully produced two class parties and a number of paper drives for money-makers. Our treasury is really something to behold! Watch out next year for the

FOOTBALL 1951

Looking back into the fall of the year 1951 brings back some wonderful and some unpleasant memories of the powerful and spirited grid machine that represented Randolph High School. It will definitely have to be said that this was one of the best teams that ever wore the Green and White for Randolph High.

After several weeks of gruelling practice under head coach Don Barger, and his very able assistants, Gene Cultice and Bill Yensel, on September 14, the 'Cats ventured forth to Tipp City in quest of their initial victory of the season. The Red Devils had beaten the Bobcats for three consecutive seasons, but this was not their year. Randolph built up a 27-0 halftime lead and ended up by steamrolling Tipp 34-0.

The following Friday saw arch rival Brookville come to town to help the Bobcats open their home season. It also opened the defense of Randolph's Co-Little Buckeye League crown shared the previous season with Beavercreek. Brookville was the only league team to beat Randolph in 1950. The Bobcats were not to be denied this season, however, and rolled to a 20-6 conquest over the Blue Devils.

Beavercreek's Beavers came to town next and the 'Cats went all out to nudge Beaver for their third consecutive victory.

Next came one of the greatest victories in Bobcat history as they traveled to Fairborn to engage that city's Class "A" Flyers. Fairborn was one of the powers of the Little Six League this season. Fairborn scored a quick touchdown to lead 7-0 at the first quarter's end. The 'Cats powered back with a TD to make it 7-7 at the halftime. In the second half the 'Cats rolled to a 26-14 triumph over the flyers going away. The pigskin was again inches from Fairborn's goal as the game ended.

The week following the Fairborn game the Bobcats came home to engage Jefferson in the annual Homecoming game. The 'Cats rolled from their slim 12-6 first period lead to a rousing 39-13 victory. Then the roof fell in on the ambitious Bobcats. Vandalia-Butler, always a thorn in the side of Randolph, came to town on the following week and gave the 'Cats their first loss in six games, a stunning 25-14 reversal. Butler ran roughshod in the second quarter to overcome a 7-6 Randolph lead, scoring three touchdowns to post a 25-7 halftime lead. The 'Cats came back in the second half and played very aggressive football, holding the Aviators scoreless, but they could not make up the deficit. Butler's well-played first half outdid the Bobcats comeback bid. This was the last Randolph home game of the season.

On the following Thursday the Bobcats, unbeaten in league play, traveled to Trotwood Madison to engage the Rams, likewise undefeated in league play, in a game that had direct bearing on the outcome of the league race. Madison controlled play almost entirely throughout the game, but they couldn't increase their 7-0 halftime lead and the game was quickly coming to an end when Randolph tied it up 7-7. Madison then took the ball and marched relentlessly down the field. The drive capped by Butch Brown's fourth down scoring thrust defeated Randolph 13-7 and clinched Madison's first Little Buckeye League Crown.

The next two weeks saw the Bobcats on the rebound and they ended the season on a highly successful note. First they traveled to Centerville on the blizzardly November night. Ernie Schultheis got things going the right way for Randolph by running back the game's opening kickoff for a touchdown. This paved the way to a 36-0 rout of the Elks.

The following week the 'Cats traveled to Germantown and ended the season by drubbing the Cardinals' 47-7. This was only the second time in six seasons that the Bobcats haven't had at least a share of the Little Buckeye League crown, Randolph placed second behind Madison and Jefferson rode home in third. The Bobcats' record through the years has been a very admirable one. This season's seven won and two lost record is a great credit to our hard-playing 1951 squad.

The Randolph Junior High School football squad of 1951, although unpolished, played some good football. Coach Bill Yensel had a job on his hands and he did a very creditable one in training his boys for the grind ahead. They opened the season at Jefferson and suffered an 18-0 loss to the Junior Broncos. Tipp City's Red Devils came to open the little 'Cats home season and were rudely jolted 26-0. This was the best game of the season for the little 'Cats. Centerville played here next and smacked Randolph 34-14. Beavercreek followed Centerville into town and edged the 'Cats 7-2. Next Randolph traveled to Brookville and were routed 52-0 by the Junior Blue Devils. The baby 'Cats came home and ended the season on their own field by tying Germantown 6-6. Originally the season's closer was to be with Madison, but the game was canceled. The baby 'Cats final record of one win, four losses, and one tie doesn't tell the full story of their season as they practiced hard, fought well in every game, and tried their best to win.

RANDOLPH COUNTY CHAMPIONS

BOUNCING early favorite Phillipsburg for the second time in eight days, the Randolph Bobcats upped their stock in the Montgomery countl league race several points Friday night. The 'Cats, in pinning a 43-42 setback on the Thunderbolts, ran their win streak to seven straight.

Randolph led, 52 to 49 at the time. In the final minutes the Bobcats started to freeze and Larry Binkley and Bill Kingery sneaked under for two additional fielders to clinch matters.

DAVE PALSGROVE, stocky Randolph guard, paced the highly-touted Bobcats to their 19th win in 20 starts. Dave threw in 14 points, while teammate Bob Rose came up with 12.

VARSITY BASKETBALL

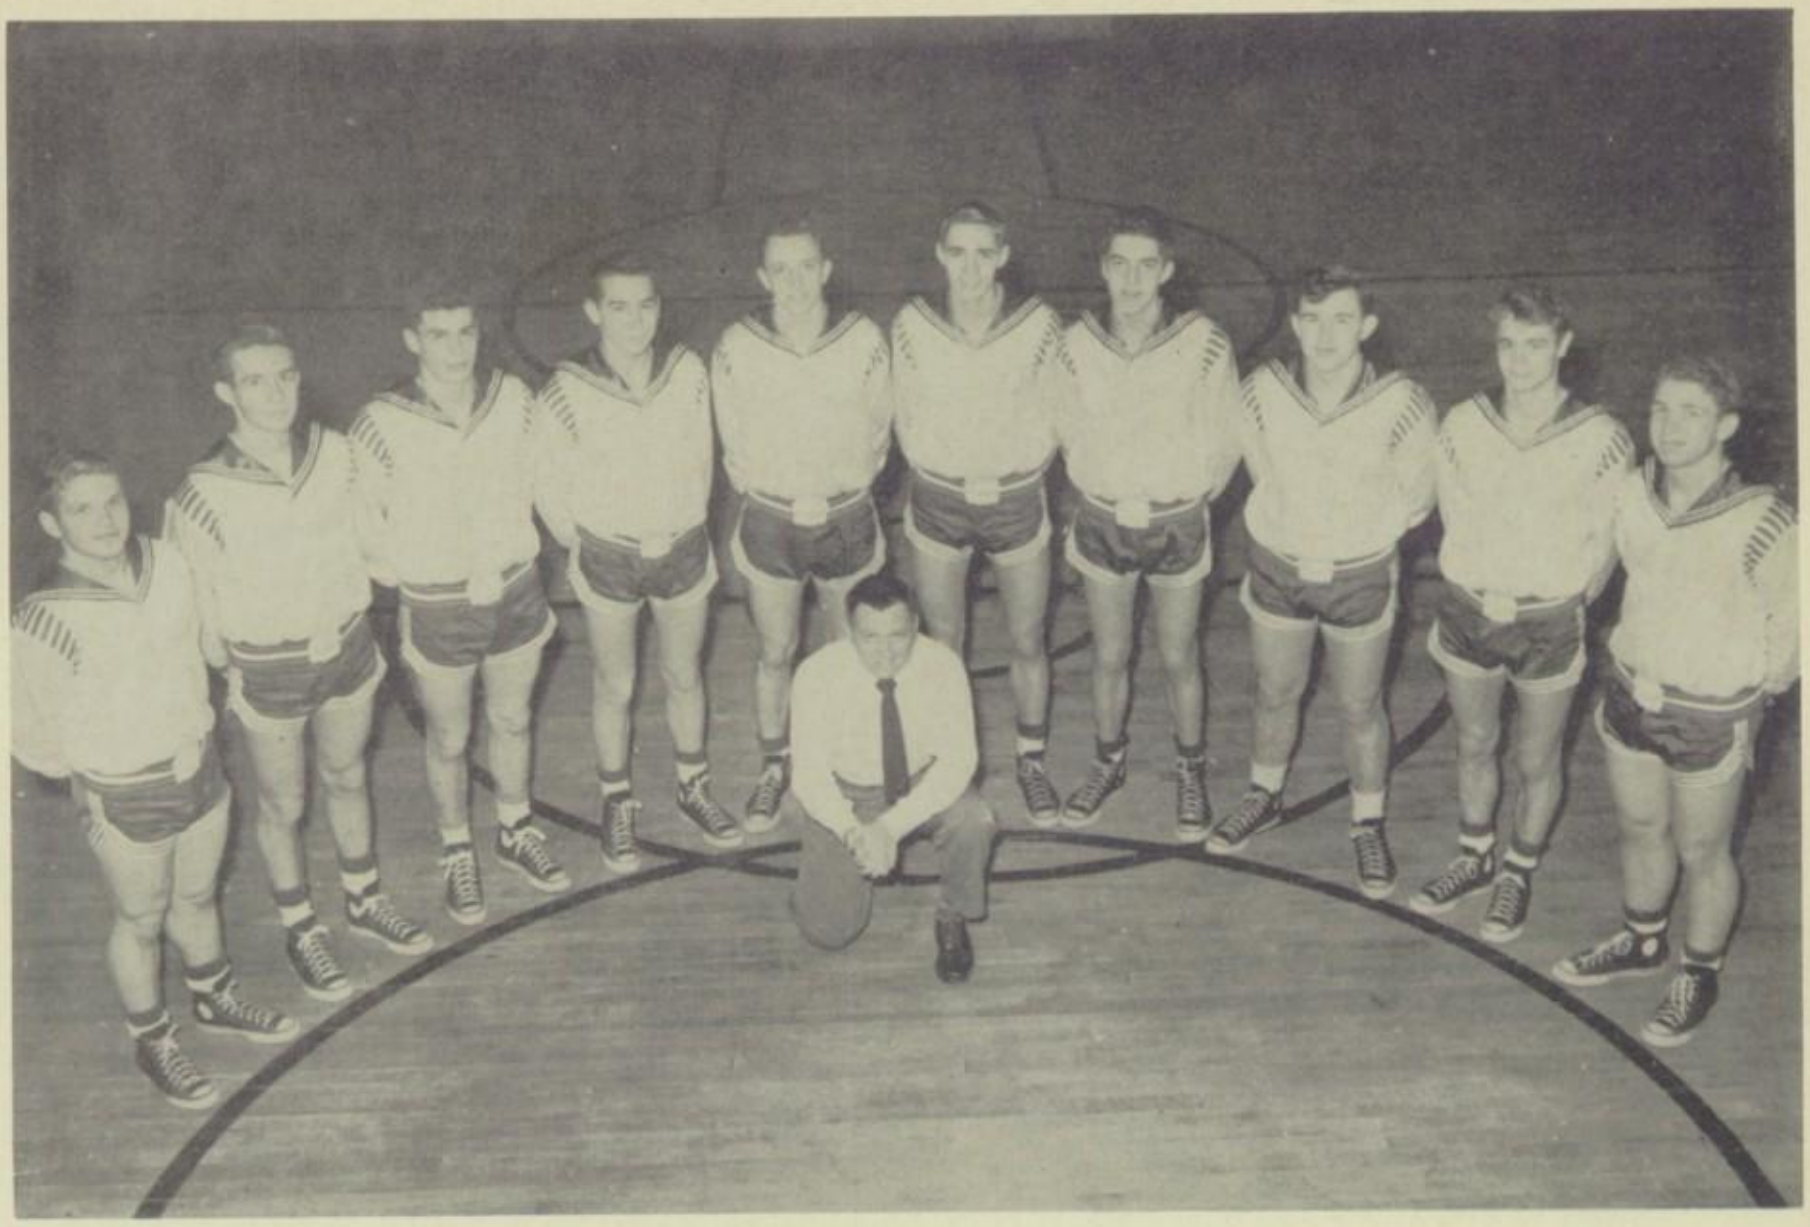
The past 1951-1952 basketball season saw our Bobcats advance closer to the state crown than they had ever come before. They were, perhaps, the best team ever to represent Randolph High School on the hardwood. This is not meant to take any luster away from the teams of the past, but this squad really had it. They put everything they had into each game. They went out on the floor knowing they had a good chance to win each game and a deep desire to do so. Their display of sportsmanship, win or lose, made us all proud of them. They fought as a team for victory and honors and not for the glory of any individual.. They will be long remembered for their magnificent accomplishments.

For their 1951 work they breezed through November and December games and headed into the new year, 1952, with a perfect 7-0 slate. Their main accomplishments over this time were their first league win and second consecutive Holiday Tournament crown. Trotwood Madison fell to the 'Cats 61-47 in Randolph's opening league encounter. Phillipsburg, guided by our former coach, Rich Heidkamp, fell to the 'Cats 63-44 in the first round of our annual holiday tourney. The 'Cats engaged Madison for the second time this season in the championship game and won handily 57-44. The 'Cats also engaged Tecumseh's Arrows in the second game of a doubleheader at Cox Fieldhouse in Xenia and won 52-49.

Moving into the new year Randolph gained momentum as they again defeated Phillipsburg, this time in an important league game, 43-42, on the Bobcats' floor. The following night they traveled to Beavercreek and defeated the Beavers 55-53 in a double overtime sudden death thriller. Monroe Preble's prominent Wildcats moved into town next and left on the short end of a 65-58 score. League rivals Brookville and Dixie fell 48-47 and 55-30 respectively as the 'Cats moved onward. Farmersville was beaten 48-41, Jefferson fell 58-41, and fierce rival Butler was ripped 60-45 to increase the 'Cats unbeaten string to 15. Then the inevitable upset came. Riding on top of the league the 'Cats traveled to Centerville to engage the oft-beaten Elks tied for the last place in the league. The Elks hit some 60 per cent of their shots and toppled Randolph 47-44 and the 'Cats' reign at the top of all the Class B schools in the state poll came to an end. They barely came back the following night to edge Germantown 45-41 and tie Wayne for the number one position in the league. Warming up for the title clash with Wayne the 'Cats ran up their highest point total of the season in annihilating Lewisburg 70-52. In the final game of the season Randolph traveled to Wayne to meet the Warriors for the league championship. Before a packed crowd, Wayne won their second consecutive league crown by nipping the Bobcats 31-26 in a strictly defensive game.

Many would have thought this the end of the line for Randolph, but the County Tournament proved them wrong. Wayne and the 'Cats seeded in different brackets of the tourney moved relentlessly toward the championship game again. The 'Cats' first round opponent, Farmersville, fought well but fell short 49-43. Next came Phillipsburg. This was another all-out battle but the Bobcats moved into the semi-finals with a 51-49 victory. In the semi-finals Randolph met Brookville, a team that played superbly throughout the tournament. The Bobcats, after losing a big lead, had to come from behind to tie the game up and win in an overtime 56-52. And then Wayne was met for the tournament crown. Again the game was a defensive one but the 'Cats got sweet revenge by winning 35-32 for their first tournament championship in the history of the school.

The Bobcats moved on to the Southwestern District Tournament at Cox Fieldhouse in Xenia and their first round opponent was Yellow Springs Bryan, Greene County champs. This was perhaps the best-played game by the 'Cats all season. Bryan held a slim lead at the half, but the Bobcats forged back to rap the Yellow Springs quintet 58-51. The 'Cats quarterfinal round opponent was Blanchester, defending



Varsity Basketball Continued

District champs and repeat Clinton County kings.. Blan got off to a quick lead and stayed ahead for almost the entire game until the 'Cats, with 16 seconds left, and won 39-36. That was the lowest total of points Blanchester had been held to in a long time. But New Vienna, Clinton County's No. 2 team, was ready for Randolph. The fierce semi-final clash saw New Vienna take an early lead and hold it throughout to upset the 'Cats from the State Championship trail 45-38. To the end Randolph kept its never-say-die spirit that had won them so many games in the past, but this time they just couldn't come back. In the battle for third place against New Paris of Preble County, the following night the Bobcats rolled to a 63-44 triumph.

The final season's record of 24 wins and 3 losses was a fine tribute to the hard-playing 'Cats. They were rated 6th in the final state AP poll of Class B schools.

Under the leadership of Coach Gene Cultice, the 'Cats posted a record of 5 victories and 11 defeats. However, the record doesn't tell the complete story. Seven of their losses were by a close margin. They played hard and well and scrapped to the very end of each contest. The league rivals they defeated were Madison, Brookville, and Jefferson. After trailing Jefferson by 15 points at the start of the fourth quarter, the 'Cats came back for a phenomenal 40-39 win. The reserve team is grooming some fine players for future varsity squads.

JUNIOR HIGH BASKETBALL TEAM

JUNIOR HIGH BASKETBALL

The Bobkittens led by Coach Bill Yensel had their ups and downs during the season and finished with a 3 won and 3 lost record. The high note of the season was Randolph's victory over Brookville's champs. Ours was the only team to turn the trick. The game was played at Brookville and the Bobkittens won 26-22. They were eliminated by Germantown 28-27 in the first round of the Junior High Tournament at the local gym. It was the first time in four years that the county tournament championship had evaded the Bobkittens.

1951 BASEBALL TEAM CHAMPIONS OF MONTGOMERY COUNTY

First row, left to right: Merrill Warner, Manager; Jim Volk; Don Stutz; Chuck Woodbury; Jim Bauer; Bill Warner; Dick Lawyer; Tom Farrier, Manager.
Second row: Don Barger, Coach; Chuck Upthegrove, Jim Turner; Larry Binkley; Gene Riser; Jim Kern; Jerry Haley; Wayne Weaver; Dave Palsgrove.

1951 BASEBALL

The 1951 baseball squad under head coach Don Barger won the Montgomery County Tournament championship by beating Butler in the finals. Undefeated up through the County Tournament they were eliminated by Beavercreek, Greene County Champs, in the first round of the Southwestern District Tournament. Beavercreek, incidentally, went on to win the District Crown.

The effective work of Weaver and Volk who formed the Randolph battery and the fine fielding and timely hitting of Palsgrove featured the County Champs' play.

1951 TRACK TEAM

First row, left to right: Wayne Weaver, Ernie Schultheis, Ben Smith, Dave Palsgrove, Larry Binkley, Bill Warner, Jim Bauer.
Second row: Rich Heidkamp, Coach; Jerry Tschudi, Manager; Peter Wolff, Gene Riser, Bob Rose, Jim Helwagen, Paul Knoop, Jack Josselyn, Pete Hill.
Not pictured: Sunny Black, Bill Kingery.

1951 TRACK

Under head coach Rich Heidkamp the 'Cats had a fair season finishing fourth in the County track meet.

Paul Knoop placed first in the high jump in the County meet while Jerry Haley came in second in the 440 to help us obtain our place in the County.

Pete Hill, Jim Helwagen, Sunny Black, and Bill Kingery were unable to participate throughout the entire season because of injuries.
